AMENDMENT

Dear Sir:

This is responsive to the Final Office Action dated March 11, 1999.

IN THE CLAIMS:

Please add the following claims:

7. The method of claim 1 wherein:
said first communication channel is a first set of packets transceived along said
network; and
said second communication channel is a second set of packets transceived along
said network.

8. The method of communicating between a host computer and a remote terminal
over a data network comprising steps of:
establishing a first communication session between said terminal and a
communications server via a first communications channel;
downloading, from said server to said terminal, communications software for
